

List of possible delegates to CMS Congress 1967 not yet found in the photo:

1. From the presenters of papers:

Dr. PJS Barry, Atomic Energy of Canada
Einar Einarsson, MSC Winnipeg
David Nunn, McGill Dept. of Meteorology (possible for #60)
Al Reimer, Atomic Energy of Canada
FD Thompson, MSC Toronto HQs

2. From old correspondence about the Congress:

J Gregory
L Shenfeld
* Bev Cudbird

* In 1994, Bev Cudbird was originally identified as #68 by Howard Freeland. Later he was identified as #10, and #68 was confirmed as Don Mettam. In 2017, April Holler (Bev's daughter) confirmed that she and other family members had seen the photo and confirmed Bev is not in the photo (although he was among those listed as being at the Congress).
