Friends and fellow employees joined in wishing a fond farewell to Fred Iviney, Area Personnel Manager, Ontario Region, at a banquet held in his honor May 24.

Mr. Iviney left AES Headquarters to accept a transfer to Vancouver as Area Personnel Manager for Fisheries and Environment, Pacific Region. His new position becomes effective June 5.

Both Roy Lee, Director, Administration Branch and Larry T. Campbell, Director General, Field Services Directorate, spoke at the banquet. Mr. Lee wished Mr. Iviney the best of luck on behalf of himself and Assistant Deputy Minister, Dr. A.E. Collin.

Fred thanked all he has had the pleasure to work with, giving special thanks to Mr. Campbell for his support throughout the years. He expressed his appreciation of former Assistant Deputy Minister, R. Nobel who, Mr. Iviney says, taught him, "that a man can be both a manager and a gentleman."
