Thank you

The Ottawa Centre of the Canadian Meteorological and Oceanographic Society is pleased to offer you this book to thank you for having devoted your time to prepare and present a conference of particular interest to its members and friends. If this book interests you and you would like to review it formally, the Society will be pleased to publish your review in its CMOS Bulletin SCMO. Please correspond with the editor, Paul-André Bolduc (Bulletin@CMOS.ca) on this question.

President, CMOS Ottawa Centre, date _____
